PORT NORFOLK CIVIC LEAGUE COMES HOME

After numerous unforeseen delays in the reopening of the Port Norfolk Recreation Center, the Civic League was finally given the green light to resume holding its monthly meetings in the facility. And, how fortunate we are to have use of this wonderful building. The Recreation Center is a fully restored, historic structure, is on the National Register of Historic Places, and has been a jewel in our community for many years. The Civic League's monthly meetings are held in the 2nd Floor conference room the 1st Thursday of every month at 7pm. The building is located at 432 Broad Street in Historic Port Norfolk. You don't have to be a member of the Civic League to attend, so please join us for our next meeting (August 7th).

Our special and heartfelt thanks to the Pastor and Staff of the Port Norfolk Baptist Church for allowing us to hold our meetings in their beautiful church while the Rec Center was recovering from last year's devastating fire. A great example of what "community" is all about.

GUEST SPEAKER FOR

AUGUST 7th The Port Norfolk Civic League's Guest Speaker Program continues to provide informative and timely presentations to the residents of our community. August is no exception! We are proud to announce that Sheriff Bill Watson is our featured speaker for the August 7th Civic League meeting. Sheriff Watson has over 20 years of experience, education, and training in the law enforcement arena and is a valuable asset to our community. He has served as a Field Training Officer, General Instructor and has 27 years experience as a certified search and rescue diver. Sheriff Watson's presentation will include some of his department's recent accomplishments, the services provided by the Sheriff's Department, as well as future initiatives. He will also discuss how we, as a community, can get involved to help the Sheriff Department be as effective as possible. Sheriff Watson is an accomplished and much sought after speaker and we are lucky to have him at our August meeting. This is a program you don't want to miss!
