This family friendly event will feature arts and crafts vendors, as well as flea market booths. Please call Amy O'Donnell (739-6433) if you are interested in booth space to sell your wares!

Thanks to all Earth Day Clean-up volunteers!

On Saturday April 23rd, 13 residents joined in to clean up neighborhood streets, beach front and creek beds. More than 3.5 truckloads of trash was collected. Nice work everyone – your efforts are greatly appreciated!

Historic Port Norfolk Neighborhood Pride

We are looking for photos of your historic home, or of the neighborhood in general. We are a historic neighborhood on the National Register of Historic Places, but there are very few photos of our homes in existence, so in order to correct that, we are looking to gather photos that we can post, along with descriptions, of our unique and charming homes! Please feel free to forward any pictures you may have. Also, we will be coming around, taking pictures of your home, so don't be surprised if you see one of us trying to catch your home in its best light! We welcome any photos that you may already have that show off the character of your home!

Looking for a few good people!

Here's an opportunity for adults/teenagers/college students to gain community service experience to add to resumes, job and/or college applications. Our Civic League will provide certificates/letters of reference/verification! Call Heather at 748-9007 or email heathermcvey@kw.com to sign up for one of the following:

- * **ADOPT A POT:** We need residents to adopt 2 pots at reflection walk
- * **KICKBALL FACILITATOR:** To lead/organize neighborhood kickball and play dates Sundays at 4pm
- * **PHOTOGRAPHER-** Take pictures at community events and projects

Pennies for Safety

Keep your porch light on, all night, every night! It only costs pennies, but is priceless as a crime deterrent! Also, remove temptation by locking your car and taking valuables out.

Former Port Norfolk Elementary School Site Update:

The developer has returned the revised Sales and Development Agreement to Portsmouth's Economic Development Authority (EDA), but it has changed substantially. The developer is proposing to build a tidal wetlands bank on a large portion of the 7 acre parcel, along with 11 homes on the higher ground bordering the Lake Shores properties.

The revised agreement will go to City Council on May 10th for a decision about whether to sell the property or not. While the creation of wetlands could be beneficial to help with the current flooding problem experienced by those who live close to the site, building more houses is not.

Please see the News tab of the PortNorfolk.org website for more information.
